AbelAuto

HISTORY

The Company was founded in 1802 by Mr. Abel in France. The company was the official supplier of the Grand Army of Napoleon. This activity was carried out until 1929. In 1931, It specialized in the manufacture and marketing of polishes and waxes. With its strong reputation, the company offers a wide range of unique formulations to cover all consumer needs. The core business of Abel Auto has always been the polish-wax product offering which provides a real response to all bodywork coating technologies... Abel Auto also offers a wide and varied range of specific automobile products, from washing to finishing. Abel Auto is a guarantee of absolute quality. The headquarters of the brand are in France.
